All powers are within you
Swami Vivekananda
The School

The process of learning is to imbibe values, integrity and knowledge.

LEARN TO EXCEL

"Excellence is not a destination, but a journey to find better prospects of learning."

Vidyadhar Mahindra Vidyapeeth aims to provide an inspiring world of learning where students are allowed to pursue positive momentum to lead and to excel. Started with a vision to offer education at par with global standards, Vidyadhar Mahindra Vidyapeeth brings together an excellent learning environment with the right blend of adapted curriculum, indomitable teaching faculty and latest technologies.

Managed by a trust comprising highly prominent Philanthropists from various walks of life, Vidyadhar Mahindra Vidyapeeth prioritizes in education are not only academic excellence, but also moulding the younger generation that is strongly rooted in discipline, hard work, moral and religious values. These priorities are meant to prepare the youth for the life ahead by promoting intellectual excellence, uprightness of character, emotional maturity, scientific attitude, spirit of healthy competition, co-operation, sportsmanship through co-curricular activities, moral sensitivity to the needs and rights of others, religious tolerance and national integration.
From the Chairman's desk

Education aims at making children capable of becoming responsible, productive and useful members of a society. Knowledge, skills and attitudes are built through learning experiences and opportunities created for learners in school. VNMHSS aims to be an instrumental in showcasing the numerous skills, talents, aspirations and ambitions of students to make them a competitive global citizen by channelizing their potentials in pursuit of excellence in the holistic environment.

Warm Regards,
Rtn. PHF. Dr. K. Balasundaram
Chairman
The aim of education is to give the children strength, mobility and character. In teaching children or dealing with them we should have a positive approach, an approach which is based on the dignity and faith in the human personality. We should give positive ideas. Negative thoughts weaken them. Do you not find that parents are constantly teaching their children to read and write telling them that they will never learn anything and calling them fools and so forth, the latter do actually turnout to be so in many cases. If you speak kind words to them and encourage them they are bound to improve in time. So let all children celebrate education.

Warm Regards,
M. Gopalakrishnan
Principal
Creating a younger generation that has integrity, trust, religious compassion in its heart and the spirit of enquiry and knowledge in its mind. The pursuit of excellence at our school rests on the positive belief that every individual has the ability to produce work of exemplary standards.

We believe in training students to become responsible citizens of future and to make a positive impact on the society. Keeping their mind open to the changing world yet strongly rooted to their culture and traditions. In this process the school hopes to enlist the co-operation of the parents and teachers alike.
From kindergarten to standard XII

Highly qualified and experienced teachers, equipped with profound knowledge of their subjects and endowed with high communication skill and special talents, teach Languages, Mathematics, Science, Environmental Science, Computer Science, Social Studies, Art and Craft. Language development classes and Calligraphy classes are also conducted.

Higher Secondary

Tamil Nadu State Board Higher Secondary syllabus is followed in Plus One and Plus Two classes. Rigorous training is given to the students at this crucial stage of their career. Innovative projects are implemented and no need to lookout for extra tuitions.

Groups offered in Higher Secondary

A - Mathematics, Physics, Chemistry and Biology
B - Mathematics, Physics, Chemistry and Computer Science.

First languages offered

The first languages offered are Tamil, French, and Hindi. The medium of instruction is English.

Our school is enrolling children from all backgrounds and make them fit by giving them individual attention. The speciality of our school is giving special coaching for those with learning difficulties. We follow learning by doing by giving project works and teaching through audio visual aids. We have the latest learning tools at the service of the children like Karadi Path, HCL Smart Class, EZ VIDYA (Chrysalis) etc.,

"Special courses offered in our school"
"Karadi Path Power English Program (KG to Second Standard)"

Language is the root of all modern learning. It is a common observation that children with superior language skills tend to do better in all subjects. A child who learns to read enthusiastically is well informed and creatively vibrant.
The karadi Path methodology is like constructing the way we learn the mother tongue and substantially different from the way we taught language in the classroom.

It is intuitive immersive, non-linear, non-instruction, multisensory and multi modal approach to language learning. Most importantly this program makes language learning easier, more effective and completely enjoyable for the child.

The program is designed to accelerate proficiency in comprehension, expression and reaching so that a child can acquire a high degree of proficiency in all areas.

Acquiring high degree of English proficiency at an early age will reduce the learning effort of the child and improve results.

HCL Smart Class (Pre KG to standard XII)

HCL emphasis on conceptual clarification through experiential learning in the classroom. It is an audio visual class which provides more time for transaction of curriculum.

There is greater focus on learning as well as teaching. It reduces stress and anxiety of the students. It is expected to prepare the students in all fields of life by making them patronized, witty clever and fashionably fit for the society.

It empowers students creative and critical thinking skills, social skills, logical and reasoning skills which help them to perform elegantly even in a highly competitive environment later on.
Situated in a serene campus, Vidya Nethra MHS maintains pollution-free environment for the students to learn, grow and develop. Strategically located in Pollachi-Udumalpet highway, it provides easy accessibility to reach from any destination.

**Classroom:** Well installed and specially designed classrooms. Each classroom is fully air circulated and well equipped with the newest quality of study furniture that keep the children comfortable.

**Lab:** Well equipped laboratories with more features for the children to stack up their required study and activity material helping them to learn and practice thoroughly.

**Computer Lab:** High tech computer lab with internet facilities, HCL smart board offers and international platform with a perfect blend of technology, modern pedagogy, culture and innovation.

**Library:** A huge spectrum of books authored by renowned writers of various genres is available to children. This encourages and inculcates in them a love for reading that provides sheer joy and also develops and enhances many skills in them. This help them to develop holistically in terms of personality.

**Rest Rooms:** Provision of modern sanitized and different designs of lavatories comfortable to different age groups.
Admissions for classes from LKG to Std XII are sought on the basis of relevant records of age and educational qualification from the academic year 2014 - 15. The parents/guardians who are desirous of getting their children admitted in VNMHSS can get the application forms and prospectus from the school and submit the filled-in application forms during the working hours.

Children’s Day

Children’s day is celebrated in the school with real zeal and sport. Variety of events and sports are conducted like dance, music, sack race, potato gathering, musical chair, biscuit biting, raw cooking, face painting etc., All the children are gifted with token of love and appreciation.
VNMHSS has the pride that beyond curriculum and co curriculum it has been bringing revival to titivate education by organizing 'SPHOTA 13' - motivation and interactive sessions really benedictions to both teachers and students. It validates wholesome citizens for future.

Dr. John Miller

The interactive session with Mr. John Miller a leading psychiatrist from Chennai and Pioneer of Veda Vikas Schools was absolutely meaningful. He presents the magnificent data graph of 6-seven stages in life, each stage consist of 7 years, the yardstick of life and proved teachers are like doctors. He quoted 'Health is education' and 'Education is health'. He said every child is ready to meet challenges and can change the world. He explained how the teacher's behavior influence the students physically and mentally. He requested all to edify and work with positive attitude only.

Mr. Sylendra Babu, I.P.S.

Shri. Dr. C. Sylendra Babu IPS, Additional Director General of Police, Coastal Security Group, Chennai impressed the crowd with his dynamic speech. He gave tips to become adroit, to laurel success and illuminate in life. He motivated the students a lot and presented his books to them. He said education is an indelible treasure.
Mr. Irai Anbu, I.A.S., Principal Secretary to Government

Dr. Irai Anbu sir's session instilled students and teachers the enthusiasm to have invincible education. He explained clearly how to execute even the simple things of life 'Spic and Span' to become estimable and to imbue knowledge. He rightly said education is the access to attain Ambrosia Self-realization. But marks are not the caliber to test the child.

Ms. Vijayalakshmi

Ms. Vijayalakshmi Founder, Director of TITPAM consultants Chennai for students and teachers gave tips to develop personality, life skills and career to become dexterous. She has also conducted a self administered personality test providing 16 personality factor questionnaire. The purpose is to stimulate one's thoughts about their own areas of competence, motives and values.
Vidya Nethra MHSS complements world-class education with an array of state-of-the-art amenities.

**Refreshment:** We believe “Sound mind in a sound body” all the children from Pre KG to Fifth standard are given health drinks and snacks of good nutrients value twice a day.

Classes XI to XII are provided with nutrient snacks and health drinks in the evenings before the coaching classes.

We offer healthy atmosphere by supplying only mineral water. Hot tasty and nutritious food is supplied to all the staff and also to those who opt to eat in our school canteen.

**Appreciations:** All the children of VNMHSS from I to XII are formed into four groups Vindhya, Himalaya, Nilgiris and Mahendragiri. Every day morning assembly has been conducted. All the four houses take up the assembly per week in turn. On Fridays quiz competition has been held among the houses. This helps them to update their general knowledge and team spirit.

For classes I to XII house wise competitions has been conducted now and then and on special days. They are rewarded also. On special days competitions are conducted for KG’s and prices are given for appreciation. Children are participating enthusiastically in the science expo held every year.

**Conveyance:** School buses ply regularly to conveniently pick-up and drop students from all directions.

**Playground:** A well-designed playground inside the campus helps to develop the athletic skills of students along with the provision of pursuing their favourite sports.

**Hostel:** Separate hostels for boys and girls are provided in the campus, ensuring a home away from home. Keeping conducive atmosphere, students are well taken care of with the assurance of 24/7 monitoring by the warden and the supporting staff.

**Co-curricular Activities:** Students are allowed to pursue their creative talents with ample guidance in dance, music and other fine arts. The yoga and karate classes ensure overall personality development of the children.

**Medical Facilities:** Students would be periodically checked by the Medical Professionals to monitor their health.

Philanthropic club, Eco-club, Scout and Guide, NSS…… are organized in the school to render service to the society. Offering funds to charitable trust, establishing ‘Green house’ environment, health and hygiene, banish preservative foods like chocolates, instant foods …… are the main aims of these organizations.
Dr. M. Sudhakar, Superintendent of Police, Coimbatore presided over Spectrum 13 and distributed medals, trophies and shields to the winners.
Second Annual Day

Vidya Mahotsav 2014

Hon’ble Shri. Justice M.M. Sundresh Judge, High Court Madras presided over the VNF’s spectacular second Annual Day celebrations. Chief guest in his laudable presidential address told how to accomplish “Mission”. Children showed their talents exceptionally as connoisseurs. School campus overflowed with immense crowd. Refreshment and dinner were provided to all including the visitors.
Kamarajar birthday has been celebrated as education development day every year on 15th July 2013. Competitions like essay, poetry, elocution, drawing, recitation, wall magazine etc., has been conducted on this day. School chairman Dr. Balasundaram represented the day and requested the students and teacher to pursue the goals of the Great Man Kamarajar by remembering few master piece incidents happened in Kamarajar’s life. He distributed prizes to the winners also.

More than the teachers students actively took part in the teachers day celebrated on 5th September 2013. Children enacted as students and conducted many competitions for the teachers making them into groups. The school was filled with joy and they pleased the teachers through their unmemorable performances and great gifts.
Mr. Bangaru (Alias) V. Palanisamy hoisted the National flag on 15th August at the school and represented the celebrations. March past and cultural programmes were held KG children participated with zeal in the fancy dress competitions. Quiz, elocution, music competitions were also conducted for the children. They were awarded prizes also.
Extra Curricular Activities

- The process of learning becomes vital to foresee the opportunities beyond the curriculum and classrooms. Education is not only bounded to notebooks but is providing new horizons of personal development and societal commitment.
- Students and teachers displayed their skills and innovative thoughts with great zeal at school functions like Independence Day, Republic Day, Teachers Day, National Youth Day, Science Exhibition, etc.
- Free medical camp has been conducted for the parents within the school premises.
- Students visited and rendered service to the people of Gandhi Ashram.
- Plenty of extracurricular activities are provided. All children are given the chance to take part in yoga dance, music, Karate, Silambam and other fine arts.
- All the children are recognised in spirit with certificates, medals and awards for both curriculum and co-curriculum.

Onam Celebration

Dusshera

Dusshera was exhibited from 5th to 14th Oct in a holistic manner. 9 step big Kolu with ample statues according to the ethical values were displayed by the children themselves. Bhajans, poojas, songs etc., were conducted regularly on these days and prasadam was given to all.

On the last day special homam for the three goddesses Lakshmi, Saraswathi, Parvathi and Durga pooja was also conducted by the special saints invited from Rathnagiri Maha Santhishanam. KG children were admitted to the school on that day with the formal rituals.

Vidyarambam
Science Expo was held on 19th Oct in the school. Mr. Rangasamy Headmaster RVGHSS Kurichikottai presided the Expo and interact with the students. He gave prizes for the best presentation and encouraged the students.

Students from class I to Class XII divided into four groups displayed their inventions and enormous ideas in the Expo. Science quiz was also conducted. Really it was an "Excellent Expo".

Pongal festival was celebrated in a grand manner in the school campus. All the children attended the function in traditional costumes. Competitions representing the Tamil culture like pot painting, rangoli, folk dance, kummi, music, etc., were held. Pongal message was given to students. Prizes were distributed to all.
